

RK-A - Bug #1747

Add condition for "callbacks" in the lemmatization wrapper

10/13/2021 10:26 AM - Nandini Bansal

Status:	In Progress	Start date:	11/03/2021
Priority:	Normal	Due date:	
Assignee:	Rohit Choudhary	% Done:	0%
Category:		Estimated time:	0.25 hour
Target version:	P1	Spent time:	0.00 hour
Description			
"callback" & "callbacks" are not being lemmatised to the same root word allowing close by tagging of the KPs in the "recreate" function. We need to modify the common_tagging_functions.py to add a condition for managing this case.
