Description

if (a) url(s) is not supported or (b) there are no purple link results, we only show the "Want an answer from ChatGPT Plus Yes" section.

instead, show "Want to know more about anything? Highlight the text OR Ask here" section in these cases also.

also replace "Unfortunately, there are no relevant answers to your question on this site" with "Unfortunately, we have not yet found relevant answers to your question on this site"
