

RK-A2 - Task #3740

Enable sorting user_info DS kind by first_visit_time and last_visit_time

10/09/2024 03:18 AM - Ram Kordale

Status:	Feedback	Start date:	10/09/2024
Priority:	Urgent	Due date:	
Assignee:	Parag Patil	% Done:	100%
Category:		Estimated time:	0.15 hour
Target version:		Spent time:	0.00 hour
Description			
When we go to DS tab in the cloud console, we can sort the kind by one of these two columns even today. However, it does not sort according to date. Instead, it seems to be sorting only by day part of the stored date. After this ticket, we should be able to sort it by the complete date.
