Description

If only standard style questions exist on a line in k-12-support.txt, we should not have the following under user input box: (1) the styles row (2) the scroll bar (3) "Scroll to choose themes" line.

This additional space should be used for the chat.

Also, please remove text such as "Lets learn from your favorite characters from Power Rangers, Doraemon and Powerpuff Girls. If you want to change this, please click on your preferred themes below." and "No characters have been chosen to teach you. If you want to change this, please click on your preferred themes below."
